Hon. Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Enclosed is Form PTO-1449 listing the International Preliminary Examination  
Report for a corresponding Int'l Patent Appln. No. PCT/US03/34148.

The undersigned attorney of record hereby certifies under 37 CFR § 1.97(e)(2)  
that "no item of information contained in the information disclosure statement was cited  
in a communication from a foreign patent office in a counterpart foreign application, and,  
to the knowledge of the person signing the certification after making reasonable inquiry,  
no item of information contained in the information disclosure statement was known to  
any individual designated in § 1.56(c) more than three months prior to the filing of the  
information disclosure statement." No fee is due.

This is intended to be in full compliance with the rules, but should the Examiner  
find any part of its required content to have been omitted, prompt notice to that effect is

earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have been submitted for consideration. Furthermore, no representation is being made that a search has been conducted or that this IDS encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per M.P.E.P. § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if any further information is needed.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
